Term 3 Week 8

Dear Parents,

Well another busy term has finished. Perthville students have been involved in many extracurricular activities this term and they all need to be congratulated on the effort and enthusiasm they have shown. I would like to take this opportunity to thank all the staff at Perthville, without their support your children would not have been exposed to the opportunities they have.

Well done to all the eisteddfod items. They were all outstanding. The students all need to be congratulated for their performances, their manners and the time they have put into practicing their individual class performances. The band played magnificently placing 3rd, the verse speakers were terrific placing 1st, the percussion group played marvelously placing 3rd and the choir sung brilliantly placing 2nd. Great work everyone.

Perthville has received a new computer roll out. This has included 9 new laptops for 5/6, 3 new laptops for staff and a new computer for Mrs Law's office. Tuesday I worked with IT support staff to set up the new computers and reallocate some of the other older computers which weren't running well.

We have received information this week that there will be a new bus run for Lagoon and Trunkey children. Children who catch these buses have been given a notification regarding the drop off and pick up times. These changes will commence first day term 4. I have not been informed of any other changes to any other bus runs at this stage.

Naplan results went home with students yesterday. I have looked through the results and they are very pleasing. Congratulations Years 3 & 5. If any parents want to discuss their children's results please contact the office and make an appointment with the class teacher.

I would like to take this opportunity to announce that I have been appointed as permanent principal at Burruga PS commencing Term 1, 2013. I have loved my time at Perthville and I am lucky I will still get to catch up with the children at small school events.

Have a restful and safe holiday. We do not have a staff development day at the commencement of Term 4 so staff and students return Monday 8th October.

Our stars
of the
Eisteddfod

Blue Star Awards

Blue Star Awards went to Coby F, Nicholas A and Georgie W. Congratulations!

Mathletics Awards

Mathletics plays a big part in our school Maths curriculum. When students have achieved a new level within this program they are sent a certificate of achievement. Well done Darnell P and Augusta W you must be working really hard in Mathletics.

Blue Awards for sporting achievements

I had many Blue Awards to hand out at last week's assembly. I would like to congratulate all the students who received one. There were many sports the students participated in. They included Athletics, Rugby league and girls and boys soccer to name a few. Well done on your achievements.

House Points Trophy

Congratulations to the Kookaburras who won the house points for this fortnight. Pictured are Isaac and Harry Kookaburra house captains with the trophy. Congratulation Kookaburras!

Footy Colours Day

On Friday 21st September (last day of term 3) students are asked to come to school dressed in their favourite AFL, NRL, Rugby Union or soccer team colours. We are asking for a gold coin donation to support children living with cancer.

Student Classroom Supplies

Just a reminder that students Year 2 to Year 6 need to have their own supplies of glue, erasers, pens (blue/black and red) and pencils. If you could ensure that your child has these supplies it would be greatly appreciated by classroom teachers. We are currently running low on classroom supplies of tissues if each student could bring in a box to use in their classroom that would be great.

Little Athletics Visit

Last week we had representatives from Little Athletics visit our school. The students were given demonstrations on the correct way to run and jump hurdles. They were also shown how far the long jumpers at the Olympics can jump.
