Perthville Fair – This Saturday – Come along and show your support!

The P&C will be running a stall selling Cakes, Sandwiches and tea/coffee at the Perthville Village Fair this year. We would appreciate any donations of cakes, slices, etc. for the cake stall as take home packs. Please note these will need to be provided on disposable packaging and a list of ingredients included.

Also needed are slices, cupcakes and scones to be sold individually to go with Tea and Coffee. If you are not a baker a small financial donation (i.e. \$5 to \$10) would be appreciated to go towards the purchase of ingredients for sandwiches. Any slices, cupcakes etc. can be provided on disposable packaging or in containers that can be picked up on the Monday following the fair from the school. Please remember to label all containers with your name and phone number so that they can be returned to their correct owners.

All donations can be dropped off at the school on Friday the 11th of September or brought to the Perthville hall the morning of the fair (September 12th). We appreciate any donations; all money raised will go towards future projects for the school. Thank you all in advance.

News from 5/6

During term 3 year 5/6 have been able to develop their skills in science and technology on states of matter and robotics. These two topics allowed the students to explore the many properties that solids, liquids and gases have through exciting experiments such as making goo and melting a range of substances. Robotics allowed the students to design their own robot and program them to move around using a basic coding system. This was very exciting to see the student's imagination and skills enhanced.

Also this week Mr Dickson has developed a class website with photos of the students enjoying their time at school. Parents please feel free to visit the website and see some of the exciting things your students have been doing.

Jersey Day

Last Friday we held Jersey Day in recognition of Organ and Tissues donations. This awareness day was held to encourage the conversation about organ donation, a difficult topic but one which can help to save the lives of many. Well done to all children who wore their jersey and special congratulations to all families that did have a conversation about this important medical topic.

Woolworths EARN and LEARN – We are so Grateful for all the stickers that have arrived!

As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school. We're now at the important stage of the program where the Sticker Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. **So this week, please send in your Woolworths Earn & Learn Sticker Sheets and any loose Earn & Learn stickers you may have.** Remember to check your handbag, the car glove box or they may be stuck on the fridge. Every little bit helps. Thanks again for all your support!

Police Ceremony – This Friday 11th September

This Friday students in Year 6 will be walking to the Bridge Memorial Park for a ceremony honoring police officer Paul Quinn who was killed in the line of duty. The P&C will be catering for the luncheon which will include police on a special ride from Dubbo to Goulburn and their support crew. Leaders will be involved in the service and all Year six children are to be in **full winter uniform**.

Eat it to Beat it Program

Our 'Eat it to Beat it' Program has commenced. Each fortnight the program offers information on providing children with healthier food options. This week's recipe is a new dip! Take a look at the ideas on the next page of our newsletter. We thank Ms Naylor for organising this program for us.
