Term 3 Week 1

Dear Parents,

Welcome back for Term 3, we hope that you have had a restful holiday. Our calendar is filling up quickly with a lot happening in the early part of this term. We have Education Week, girls hockey, boys basketball, Stage Two excursion and the recorder rehearsal all happening in the opening four weeks.

Staff Development Day

On Monday, the Perthville staff completed professional learning about how to analyse NAPLAN data, John Hattie and his research about teaching and learning and looked at the Literacy and Numeracy Continuums in detail.

Welcome Mr Copland

Mr Copland will be teaching the 5/6 class for the first four weeks of term while Mr Dickson is relieving principal. He will also be having Year 2 for Mathematics and PD/Health on Wednesday afternoons while Ms Naylor is relieving assistant principal. Mr Copland has worked at many schools in the Bathurst area and we are fortunate to have him with us during this time.

From 2018, our newsletters will only be available by email or on our website. Start receiving yours now by direct email by contacting our office. Help us achieve one of our Environmental Goals

Kindergarten Enrolments for 2018

We are now taking enrolments for Kindergarten students who will start school in 2018. We encourage you to contact people in our area who will have children starting school next year. Ask them to make contact with our school so we can begin planning for classes next year and also to let them know about our Perthville Possums program.

Most of our recent photos of school celebrations, achievements and everyday happenings can be found on Facebook

2017 Festival of Instrumental Music - Recorders

This is a busy term for the recorder group as we have two exciting events prior to our actual performance at the Sydney Opera House on Tuesday 5th September. The group will be performing at our Education Week Assembly, Thursday 3rd August, and will also attend a cluster rehearsal at Bathurst Public School on Thursday 10th August. Detailed information will be sent home in the coming days.

Stage 2 Excursion

The stage 2 excursion is on Wednesday 26th and Thursday 27th of July. Please revisit the information sheet provided to all students earlier in term 2 for excursion details such as, what students need, where and when the bus will pick up and drop off and an itinerary of the activities students will complete during the excursion. A copy of this document is on our school website in the calendar section.

Power Outage Friday 21st July

Essential Energy has informed the school that on Friday 21st of July there will be a power outage from 9.30am until 2.00pm. This will affect the heating of classrooms, therefore it is important for students to be dressed appropriately for a cold day without heating.

Special Education Week Assembly

On Thursday 3rd August we will hold our education week assembly where students from each class will be recognized for their commitment to learning. On the day there will also be the annual book fair where students and parents can bring in money to purchase some fabulous reading material, posters or stationary. Parents and families are welcome to visit classrooms with their child.

Band fees Due – Please Pay Promptly

Please pay outstanding band fees. Students will be unable to continue in the school band this term if full payment for term 2 has not been received.

LMBR (Learning Management and Business Reform)

Mrs Webb and Mr Dickson will be attending training over the next few months. Most training occurs on a Wednesday and Thursday. Mrs Rudge will be in the office on Thursday but we ask that phone calls and other office questions and requests be kept to a minimum on Wednesdays as Mrs Webb will not be replaced on this day.

Term 3 Dates

July

28th – School Assembly.
