Bus Procedures & Pickups

When bus students arrive in the morning they are to come immediately to the COLA. They are supervised by staff on inactive duty. This duty is carried out above our normal duty hours so we expect perfect behaviour from students and parents to respect the rules associated with this bus duty.

Students who are dropped off to school or walk to school must not be at school until 8.55am when the teacher comes onto playground duty. You will receive a written request from me to abide by the school hours if these arrangements are not followed. I thank you for your support with this matter. We understand on odd occasions parents may need an early drop off but please ensure you contact us and we are made aware that your child is on site before 8.55am.

If your child has different afternoon arrangements please notify the school. We cannot send students with other adults unless we are notified.

School Fees

The school fees assist us with purchasing online maths and reading programs, text books, sports equipment, art and craft supplies and stationary needs. This year school fees have increased slightly. Fees are as follows.

1 child = \$65

2 children = \$120

3 children = \$175

We ask that you pay this contribution to the office before the end of term 1. If you are having difficulty please contact Mrs Webb.

Swimming Lessons to Commence Wednesday 14th February – Yrs 2-6

Students in Years 2-6 are invited to participate in swimming lessons at Bathurst Aquatic Centre. Students will be travelling by bus to and from the pool, leaving at 11.00am (Yrs 2,3 and 4) and 12.00 (Yr 5 & 6). Yrs 2, 3 and 4 students will be accompanied by Ms Morris and Ms Barlow and Yr 5 & 6 will be accompanied by Mrs Parker and Mrs Yordanoff.

All lessons will be taught by trained swimming instructors. Swimming groups will be established on the first day and students will attend every Wednesday for eight weeks. We also encourage students who can already swim to participate in the squad training sessions which work on improving stroke, strength and distance. Please remember all students need swimmers, a towel and a plastic bag for their wet things. Children should not wear their swimmers to school. They will have time to change during the recess session. Lessons will be held indoors in the 25m pool. The cost of these lessons will be \$96, or \$12 a lesson. This includes bus travel to and from the pool. Swimming notes are attached and need to be returned for each child.

The permission note and swimming ability form MUST be returned by Friday 9th February.

Lessons must be paid for before children attend each week = \$12

Library Bags ready for Library to Commence Please

Library will commence in Week 3 of Term 1. Teachers will be taking their own classes for library this year so that they can encourage regular borrowing and support student reading. All students will need a library bag and will be encouraged to borrow each week.

After School Care Starts Today

After School Care commenced today and will operate on Wednesdays and Thursdays. We are confident that additional afternoons will be made available this year. If you require other afternoons please contact Carol Drummond at Galloping Gumnuts on 0427 070 87. Care will also be provided on Pupil Free Days and the first week of the next school holidays, should you require any service please contact Carol asap.

No Hat Play In the Shade

With the hot weather it is important for us to abide by the 'No Hat Play in the Shade Rule'. Hats should be worn outside at all times. If your child does not have a hat they will be asked to play under the COLA. Please assist us by ensuring your child has their hat each day and it is clearly labelled with their name. Caps are not to be worn. Applying sunscreen in the morning before school is also a great idea.

Kindergarten Best Start Assessments to Start week 2

Kindergarten will commence their best start assessments in week 2. Ms Woldhuis will be taking each student individually and complete work in literacy and numeracy skills. Parents will then receive a parent report early in term one. The report will have suggestions of strategies and ideas to do at home to improve skills in reading, writing and number. Mrs Bicanic and Mrs Parker will have the rest of the Kindergarten class while Ms Woldhuis completes these assessments.

Year One Reading

Whilst we no longer call our Year 1 reading program Reading Recovery, we are still supporting year 1 students with individual reading support four days per week. Ms Morris and Mrs Hotham will be our support teachers and will commence testing next week. Two students will then be selected to join our reading program. It is wonderful to have this program in our school and we have always achieved outstanding results. Interviews will be held with those parents whose children will be participating in the program during week 3.

Contact Details & Email Address - PLEASE CHECK & UPDATE

Please contact Elaine or Suzanne if any of your home contact numbers, mobile numbers, emergency contact details or work details have changed. We must keep up-to-date information in case we need to contact you. Please also provide email address so a full colour copy of newsletter can be sent to you.

School Uniforms

A reminder that students are expected in correct summer uniform each day. Uniform makes our students feel smart, strong and proud. Raban shoes and tights are not part of our uniform policy and should not be worn. All uniform is available by seeing Anita Rodgers on Tuesday's at 2.45 in our Uniform shop (Office Area) or by sending in the attached order form.

Absentee Notes

Our school uses an electronic system of role marking. When students are late or need to leave early **parents** must report to the office so the data can be immediately entered. Students should be at school each day unless they are sick. Please try to schedule appointments or holidays outside of school times. When students return to school after being absent, they need to return an absentee note to their class teacher. Alternatively, you can ring the office and an absence sheet will be completed for you. Changes to policy across the state now mean that long family holidays are no longer counted as exemptions and will be counted in your child's days absent from school. If your child is arriving late to school or needs to be picked up early you must report to the office. Students must be at school by 9.25 each day. Any late arrivals from 9.25 will be marked part absent.

Most of our recent photos of school celebrations, achievements and everyday happenings can be found on Facebook

Next P&C Meeting - Tuesday 13th February – 6pm (In Library) - All welcome!

Discipline Policy

Our school follows both the rules set by the NSW Department of Education and Communities and the ones set by our school community. These rules are well known by our students and are on charts up around our school. All school rules are enforced and our policy sets clear guidelines for consequences of inappropriate behaviour. I believe early intervention with parents is vital, so I will contact you if your child is displaying behaviour that is not acceptable at school. Please note the orange card system is carried over the whole year and students are expected to follow our 5 rules in the classroom, playground and when out on school events. Our reward system is also set out below.

New South Wales Core Rules

The department of education has core rules that all students are expected to follow: These are as follows:

Students are expected to:

- ✓ Attend school every day, unless they are legally excused, and be in class on time and prepared to learn.
- ✓ Maintain a neat appearance, including adhering to the requirements of the school's uniform and dress code policy.
- ✓ Behave safely, considerately and responsibly, including when travelling to and from school.
- ✓ Show respect at all times for teachers, other staff and helpers, including following class rules, speaking courteously and cooperating with instructions and learning activities.

3 Orange Warning Cards
2 Yellow Cards
1 Red Card

Assembly Merit Cards

At our assemblies our teachers also hand out merit cards. These are used to gain blue star and gold awards and medals. Every teacher keeps a record of who has received merit cards and we try to encourage all students.

5 Class Awards/Virtue Awards/School Blues (For representing our school) = 1 Blue Star Awards

5 Blue Star Awards = 1 Gold Award

3 Gold Awards = 1 Medal

Perthville School Band

Band lessons commence in Week 3. Mr Brent Dickson is looking forward to recommencing at our school and developing the program with our students. Expression of Interest notes for band students will be sent home on Monday after 'try and Instrument' Day. We need every child to return these promptly so contracts can be sent invoicing can be accurate. The band program will still need to have at the very least 15 students for it to be sustainable in Term 2. If you are interested in having your child participate in band please contact the office and ask to speak to Mrs Yordanoff (2018 Band Coordinator). We look forward to a great year with our band.

40K Zone around Schools

We ask that if you are collecting your children to come to Church Street not in Rockley Street. This allows the teacher on duty to observe all children when leaving. Please be aware that Church Street is a pickup zone and the 40 Kilometre speed limit applies. Please drive slowly and collect your children on the right side of the road. Also take note of the no parking zone which applies to the top end of Church Street to allow for adequate turning space for cars.

Volunteer Agreements

All parents or relatives who volunteer to assist with our children are asked to read and sign a Statutory Declaration that complies with the Child Protection (Working with Children) Act 2012. Parents and grandparents are not required to obtain the Working with Children Check number. Volunteers not related to a child at the school must have the Working with Children Check number before volunteering at the school. We encourage you to contact your child's class teacher if you are able to help with reading, sport, computers or assist in the library. Please see the office before volunteering.

Tissues

Last year each child donated a box of tissues to their class. We'd love your support with this again. Thank you to those families who have already donated a box. A big help!

Changes to Term 4 Staff Development Days

Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to [complete their schooling](#).

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

Do you need an interpreter?

I have completed all information required on the individual child's ability note and give permission for my child/children to attend swimming lessons at the Bathurst Aquatic Centre every Wednesday from 14th February - 4th April. Years 2, 3 and 4 will leave school at 11.00am. Years 5 - 6 will leave at 12.00pm.

I understand the students will be travelling by bus to and from Perthville School on these dates. I understand students are to bring their swimmers, towel, sunscreen, swim shirt if in squad, goggles (if required) and a hat each day.

Please ensure everything is clearly labelled.

Students also need underwear to change into after swimming lessons.
