Term 2 Week 3

Dear Parents,

We hope all mums had a lovely weekend and were spoilt on Sunday. Thank you to the P&C who ran the Mother's day stall and the sausage sizzle after cross country.

Mrs Hardy will be away for the next fortnight due to a family issue, she is fine but will not return until Week 5. Ms Stait will be on Kindergarten during this time.

NAPLAN

NAPLAN started well this week and students have completed 3 of the 4 assessments, with just Maths to go tomorrow. Well done to all Years 3 and 5 who have tried hard to complete the NAPLAN to the best of their ability. The new online test has presented a few challenges but overall the whole process went well. The only written test was Year 3's writing task which Mrs James administered in the Year 3 room on Tuesday. Thank you to Mr Dickson who has set up and completed the remaining online tests with the students.

External Validation

Our executive team completed our External Validation submission yesterday. A panel including a Peer Principal and a PSL – (Principal Support Leadership) will now read our submission and attend a meeting at our school on Tuesday 28th May. During this meeting they will discuss our submission and our judgements against the School Excellence Framework. The work preparing this has been very worthwhile and a wonderful celebration of just what our school has achieved. We do amazing work at Perthville and our whole community should be very proud of our students, staff and parents. A great team indeed! An abridged version of the final report was presented at last night's P&C meeting.

Community Grant – Please vote from 15th July and spread the word

Thanks to Allan McDaid who has completed a submission on behalf of the P&C for an upgrade to the bottom oval. This upgrade will include levelling, landscaping and irrigation and allow the oval to be used for community access.

From 15 July to 15 August 2019, persons 16 years & over are able to vote for the projects they want funded in their community. The projects can be viewed and voted for through Service NSW. Each person can vote only once.

To do this, you will need a:

Girls Hockey Report

Unfortunately the girls' hockey team was defeated by Orange Small Schools last week which means we are out of the 2019 knockout. The score (5-1) was not a true reflection of how the girls played. They tried their best and they were still very competitive throughout the whole game. Many team members had never played a game of hockey before, so it was great to see them using the skills they had learnt during training sessions and applying them in the game. Excellent sportsmanship was displayed on the day and the girls made me very proud! Ms Naylor

Next P&C Meeting – Tuesday 11 June in 5/6 Room

Cross Country – Well done to all Competitors!

The following students are off to the next level which will be the District Cross Country on Friday 31st May. This will be held at Mount Panorama and Ms Barlow and Mrs James will assist students on the day. Thank you to Ms Barlow for organizing such a great event!
