A Message from Galloping Gumnuts

Galloping Gumnut is unfortunately no longer able to continue the operation of the After School Care Service. It has been a privilege to provide this Service to the Perthville School Community for the past 5 years and it was a difficult decision to discontinue this Service. We would like to thank all those families who have supported this Service during those 5 years.

We have been liaising with the Department to ensure that the school community will still have access to an After School Care program and during Term 4 2022 this will be operated by Big Child Care.

PLEASE NOTE: I can reassure you that Galloping Gumnut will still maintain our presence in the school community through the Preschool and Care Service on Mondays, Tuesdays, and Fridays. We are currently taking enrolments for 2023. For more information, please contact Carol Drummond via email: admin@gallopinggumnut.org.au

Out of School Hours Care (OSHC)

A company called BIG Childcare will commence our after-school care from Term 4 and we have shared a message from them to you, below.

If your family is interested and **you have not applied yet** for the \$500 per child for their Before & After School Care sessions, you have until **Friday 30th September** to apply for them.

ACTIONS REQUESTED

1. Families who have not applied through the current provider are to apply on the Service NSW website: <https://www.service.nsw.gov.au/transaction/apply-basc-voucher>
Once they apply, they will have the BASC voucher sent to them via email.
2. Parents/Guardians can then send the voucher, along with the school they will be starting OSHC at to email newschools@bigchildcare.com

When our licence is confirmed by the department, they can start with \$500 credit on their account. What a way to start a relationship!

PLEASE NOTE • While Service NSW have said that transfers of credits between providers are possible, we are yet to hear confirmation of these transfers. We are continually working with Service NSW to see if we can have balances of BASC vouchers scanned with your previous provider, transferred to the Big Childcare enrolment. • The child must be eligible for the vouchers (resident of NSW, aged between 4-13 years old, enrolled in a primary school, listed on a Medicare Card)

Good luck to our Bathurst District Athletes for this Friday! Go Perthville!
