From The Principal

Term 3 is always a great time at school as the weather warms up and we begin thinking more creatively. Casting is underway for our musical, swimming lessons, excursions, presentation day and Year 6 events are being organised and we are really looking forward to the settled end of Term 3, ready to ramp up next term!

It was lovely at our last assembly to award 4 students with their medals. Well done Daisy, Juliet, Alice and Maddi. We are very proud of you!

Behaviour at School - Explanation of our Current Behavior Policy.

Perthville Public School has always set high expectations for student behaviour and we always work with families to support students, who at times, make wrong choices. I would like to remind everyone that our **Orange Card** system is a chance for school and home to work together to ensure those high standards are maintained and parents stay informed about things that are happening at school.

Learning

Sometimes children make mistakes, sometimes they make wrong choices, sometimes they can be unkind, sometimes they do not respect school property or the property of others, sometimes they are rude to teachers, sometimes they do things that they own up to, or not. They are children, learning about peer relationships and acceptable social behaviour.

What happens when students make mistakes?

At school, we talk to **all students involved** about what choice they made, what they could do better next time and how their decision may impact others. We learn and we move on. Sometimes more serious behaviours result in more serious consequences - Yellow cards or red, which may lead to suspension.

Orange Cards

Not all orange cards require interviews with teachers or executive. Usually exec know about it, we talk to staff about what happened and the incident is recorded in our SENTRAL system and the orange card written and sent home.

Executive check the next day if the orange card **envelope** has been returned and we consider the matter dealt with. The student spends usually 1 session off play on the staffroom verandah, where they reflect.

Student Welfare - Discipline Policy

All students, teachers and parents have rights and responsibilities in creating and maintaining a stimulating, disciplined, safe and purposeful learning environment. At Perthville Public School we acknowledge that with rights comes responsibilities and we encourage our students to become successful and responsible citizens.

- ✓ Show respect at all times for teachers, other staff and helpers, including following class rules, speaking courteously and cooperating with instructions and learning activities.
- ✓ Treat one another with dignity and respect

Consequences for Inappropriate Behaviour

Warning letters are given to students if they choose not to follow school rules. We expect the letters to be taken home and given to parents or carers. We follow the 3, 2, 1 Approach.

External Validation Meeting

Our external validation meeting was held at the end of Week 5 and we were thrilled with the outcome. 11 excelling areas across the School Excellence Framework, what an achievement for our community to celebrate. I was so proud of our school and all the amazing work it does across so many areas. Well done to all! The following came from the Principal School Leadership Lead Panelist Rob Borg.

“Your EV was one of the best I have been part of. You should be incredibly proud of your school, and I could see the collective team effort and collegiality of your entire staff.

Your leadership team leads your school with heart, passion and a drive for continuous improvement. I left the panel feeling proud of our great NSW Education system.”

We will celebrate our day by dressing as a farmer, eating hot lunch, sack races, rob the chicken nest, egg and spoon races, tyre races and shelter building.

5/6 Poetry

Wind in my Heart

Wind in my heart
When I remember my blessings
You can be kind
I know that you don't know
What their lives are like
You can do little things
To make them feel better
You can get to know them
By listening and not judging
Being isolated has been difficult
But I am grounded in knowledge
That we can be kind

Subject: Donation request for end of year major fundraiser

To Whom It May Concern

The members of the Perthville Public School P&C are reaching out and seeking donations for the Perthville Public School end of year Major fundraiser, We are seeking donations to use as raffle prizes to be drawn at our end of year school presentation.

We are raising money to pay for a stage for the Children of Perthville to utilise during their assemblies and performances they conduct.

Perthville is a small school with 117 enrolled students and for us to be able to supply the school with this would be such a great asset to students.

We would be greatly appreciated if you are able to contribute.

Kind Regards
