## Special Shout Out to Perthville Metro and Bathurst RSL

Can I pass on my thanks to the Perthville Metro shop and Bathurst RSL for their continued support of our school in 2025. The Perthville Metro supports our community in many ways but recently donated a massive \$1000 to our new stage project. For that we are very grateful! The Bathurst RSL also recently contributed all the coffee vouchers for our Mother's Day stall! Two wonderful businesses that support our little school each and every year!

Term 2 Week 5

## What have we been reading this term during library lessons?

Class 5/6 have been listening to 'Tom Appleby' by Jackie French.

The story is of a 9 year old boy who is orphaned in England in 1785. He is sent to work as a chimney sweep in horrific conditions.

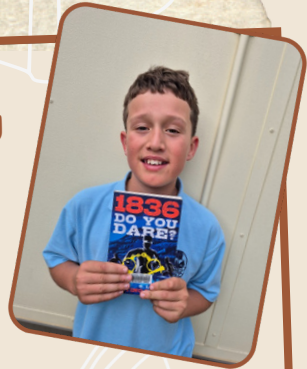

When he makes a plan to escape he is caught stealing and sent to Australia. We have read of the horrors on board the ships in the First Fleet and the testing times for Tom to survive in the Early Years of colonisation.

Next week we will begin our studies with an Indigenous perspective with *Stolen Girl* and *'Nanberry'* By Jacqui French.

This semester we have been studying 'The History of Early Australia'.

Class 4/5 have been listening to 'Fighting Bones 1836' from the book series 'Do you Dare?'.

The story follows the lives of four young Irish boys who were sent to Tasmania's Point Puer prison for petty crimes. The boys lived in dangerous and awful conditions and decide to make a daring escape and become bushrangers.

All classes are loving their historical fiction.

Please reach out via email to the school if you need help firing up your child's interest in reading, we are here to help you.

Class 2/3 have been listening to the series 'Our Australia Girl' which explores different periods of Australian history. Our journey began with 'Nellie' set in 1949. She was part of the Orphan Immigration Scheme transporting orphans from Famine Devastated Ireland to become domestic servants in Australia.

## Academic Reports- Update

This year we're introducing updated school reports. The new format has been developed by the NSW Department of Education in response to feedback from parents and educators to make reports easier to read and understand. Your child's report will still show their progress across all subject areas. Teacher comments will appear in English, Mathematics and the general comment section, in line with department policy. The general comment for Kindergarten also covers all other key learning areas including, creative arts, HSIE, PDHPE, and science and technology. A new achievement scale and descriptions are included to provide a clearer picture of your child's progress. Parent-teacher interviews remain an important way to discuss your child's progress and achievement in more detail. Semester One reports will come home in Week 10.
