Friday Fun Day - Leaders Event PPS Talent Show & Mufti Day

Our leaders will end the term with our talent show on **Friday 4th July.**

The talent show is for students only and a fun way to end a busy term! The talent show is for anyone to show a skill they have. It could be a dance, a joke, a magic trick, a drama performance, a song! Whatever your child is willing to share! We always have a supportive audience and the afternoon is lots of fun. Leaders will be calling for items this week, so get practising and let us see your special talent!

Library Corner

Term 2 Week 9

This semester, I have been reading several engaging historical fiction books and I have been loving it! My two favourite titles were "Nanberry" and "Tigg the Bandicoot Bushranger," both written by Jackie French.

Jacque French is an incredible author, making the history feel real and relatable, I felt like I was there and I could not put these books down!

These books delve into different eras of our history, providing unique perspectives through the eyes of real-life characters. They sparked a passion to read more about how different each era was in our Australian History, it was fascinating!

Sections from these texts have been used as stimulus in our history lessons in 4/5 and 5/6. Students have thoroughly engaged with this as they feel like they are right there back in history.
